1. Introduction

NB. This Policy is intended to provide general guidance only. It does not constitute a definitive statement of law. Applicants who require legal advice on a specific topic are advised to consult a licensing solicitor. Text in the shaded boxes is advisory or explanatory and intended only to give assistance to applicants, statutory authorities, residents and businesses.

- 1.1 This Statement of Licensing Policy (“the Policy”) draws its authority from the Local Government (Miscellaneous Provisions) Act 1982 (“the Act”) as amended by section 27 of The Policing and Crime Act 2009 and has been prepared in accordance with guidance issued by the Home Office in March 2010.

The Policy has four main purposes:

- to assist the Licensing Authority in determining licence applications in a consistent and equitable manner,
- to inform and advise applicants,
- to inform and advise residents and businesses, and
- to inform a court at appeal.

- 1.2 Torridge District Council (“the Authority”) resolved to adopt Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st April 2004 in order to give the Authority the power to regulate sex establishments¹. On 18th October 2010, the Authority resolved to adopt the amendments to the Act made by section 27 of the Policing and Crime Act 2009 to enable the Authority to regulate the new class of sexual entertainment venue².

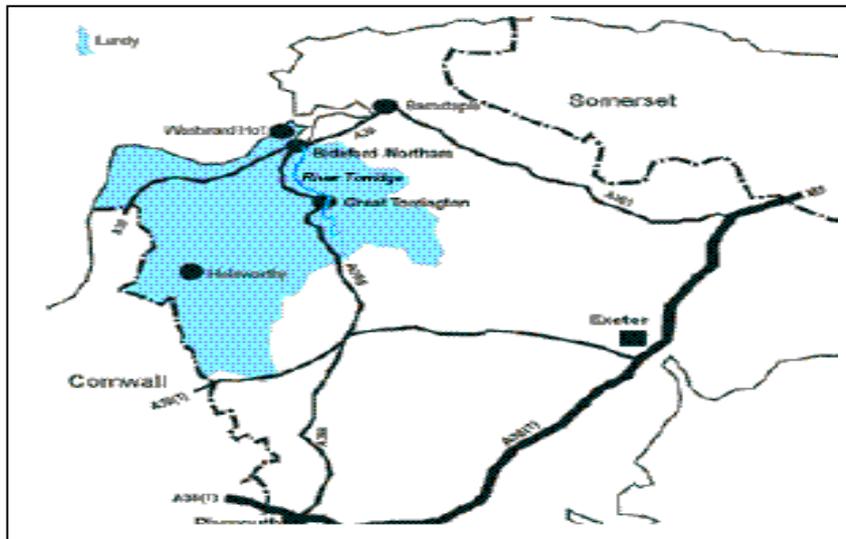

Section 27 gives local authorities more powers to control the number and location of lap dancing clubs and similar venues in their area. Where adopted, these provisions will allow local authorities to refuse an application on potentially wider grounds than is permitted under the Licensing Act 2003 and will give local people a greater say over the regulation of such premises in their area. (Home Office Guidance 1.3)

- 1.3 This Statement of Licensing Policy sets out the Authority’s requirements for premises to be licensed as sex establishments within the meaning of the Act. The information contained in the appendices and referred to within this policy should be read as an inclusive part of this policy document. The Policy was formally adopted by full Council on 1st September 2014.
- 1.4 This Policy will be reviewed every five years. The Authority may review the Policy earlier at its discretion or if required by any legislative changes. The Policy was last reviewed in 2019 and approved by Licensing Committee on 4 December 2019.
- 1.5 The Authority does not take a moral standpoint in publishing this Policy. The Authority recognises that Parliament has made it lawful to operate a sex establishment, and that such businesses are a legitimate part of the retail and leisure industries. The Authority’s role as the licensing authority is to regulate licensed premises in accordance with the law and Government guidance.
- 1.6 The Authority may depart from the guidelines set out in this Policy but will only do so in exceptional circumstances where there are compelling and justifiable reasons. The Authority will give a full explanation for any such departure from policy.
- 1.7 The Authority may from time to time exercise its powers under section 115 of the Crime and Disorder Act 1998 to exchange data and information with the police and other partners to fulfil its statutory objective of preventing and reducing crime in the area.

2. The Geographical Area

- 2.1 Torridge District Council is located within the north west of Devon and is predominantly rural. The main towns are Bideford, Holsworthy and Great Torrington, with almost half of the population living in or close to Bideford/Northam and the remainder of the area fairly sparsely populated. The district comprises 984 sq km (380 sq miles).
- 2.2 The Office for National Statistics (ONS) provided a population estimate for Torridge in mid-2016 of 66,977. (The 2011 census had a total population of 63,839, showing a 5% increase in the Torridge population over the past 5 years).
- 2.3 At the time of reviewing this policy the Authority does not licence any sex establishments.

3. Consultation

- 3.1 Consultation on this Policy took place between 10th March and 20th June 2014. Consultation was conducted with statutory authorities, community groups, local residents, faith groups and other relevant organisations. The Policy was reviewed in 2019, as there had been no amendments to legislation, procedures or conditions and the changes made were minor in nature and would not impact upon individuals, organisations or the community there was no formal consultation exercise undertaken.

The Act is not prescriptive about how the local authority should consult local people. Consultation should be fair and meaningful and local authorities should seek to make any relevant information available to local people in order to inform their understanding (Home Office Guidance 2.20). The Cabinet Office recommends a twelve week consultation period.

4 Licensing Objectives

- 4.1 The Act does not prescribe any licensing objectives. However, this Authority believes it is desirable, in the interests of clarity and transparency, to define the key objectives which will underpin the regulation of sex establishments in its District. The objectives are:
 - to prevent sex establishments from causing crime, harm or nuisance to the public;
 - to ensure that sex establishments are located in areas where they will not have an adverse impact on the local community and amenities;
 - to protect performers
 - to promote equality in sex licensing.
- 4.2 The Authority will attach the greatest importance to the promotion of the licensing objectives when determining applications and regulating licensed premises.

5 Integration with other Policies

- 5.1 The Authority will endeavour to apply this Policy in a way which is consistent with other relevant policies/strategies.
- 5.2 This Policy supports the Authority's corporate goal of securing stronger, safer, healthier communities.
- 5.3 Whilst this Policy stands alone, sex establishments may often require other consents in order to provide other facilities. In particular, applicants wishing to sell alcohol and/or provide regulated entertainment or late night refreshment are advised to have regard to this Authority's *Statement of Licensing Policy* which sets out licensing requirements for those activities. The Policy can be viewed at www.torridge.gov.uk/licensing.

6. The Licensing Function

- 6.1 This Policy sets out the general principles the Authority will apply when determining applications for licences for sex establishments. It explains the application process and provides information on what is expected of applicants. It also explains the procedure for making objections to licence applications.
- 6.2 In discharging its licensing function, the Authority will have regard to:
- The Local Government (Miscellaneous Provisions) Act 1982
 - Crime and Disorder Act 1998 (in particular s.17)
 - The Licensing Act 2003
 - The Human Rights Act 1998
 - The Policing and Crime Act 2009 (s.27)
 - the Provision of Services Regulations 2009
 - the Regulators' Code
 - the Authority's current Community Safety Strategy
 - the Authority's Strategic Plan
 - the Authority's Enforcement Policy
 - Home Office Guidance: *Sexual Entertainment Venues (March 2010)*

(Reference to legislation shall include any amendment, extension, application or re-enactment and includes any subordinate laws for the time being in force made under them and all orders, notices, codes of practice and guidance made under them). The Authority will also have regard to any new legislation that may be introduced after this policy has been implemented.

- 6.3 At the time of reviewing this policy, this Authority has no licensed sex establishments and no premises likely to fall within the definition of a sexual entertainment venue.

7. Number and Location of Licensed Premises

- 7.1 The Authority recognises that, by virtue of s.12 (4) of Schedule 3 to the Act, it can limit the number of sex establishments in any locality within its District. That number may be nil. The Authority has not chosen not to set a limit and will therefore determine each application on its merits having regard to the likely impact on any given locality.
- 7.2 Whilst the Authority has not imposed a limit on the number of premises that may be licensed in any locality, the Authority will not license premises in proximity to:
- (a) a residential area;
 - (b) premises, areas (or access routes to premises or areas) which are designed for or attract children or families, such as leisure centres, schools, play areas, parks, children's centres, youth clubs, nurseries or other similar establishments;

- (c) a place of public religious worship;
- (d) historic buildings;
- (e) cultural facilities (e.g. museums, art galleries, libraries);
- (f) educational establishments;
- (g) any premises which caters for, or is used by vulnerable children or adults
- (h) community facilities and public buildings;
- (i) any area which is focus for tourist activity;
- (j) an area designated for social or economic regeneration
- (k) an area with a history of significant crime or social difficulties.

8. Exempt Premises

8.1 The following are not sexual entertainment venues for the purposes of this Policy:

- sex cinemas and sex shops³;
- premises at which the provision of relevant entertainment⁴ is such that
 - (i) there have not been more than eleven occasions on which relevant entertainment has been so provided which fall (wholly or partly) within the period of 12 months;
 - (ii) no occasion has lasted for more than 24 hours; and
 - (iii) no occasion has begun within the period of one month beginning with the end of any previous occasion on which relevant entertainment has been so provided

8.2 For the purposes of this policy, relevant entertainment is provided if, and only if, it is provided, or permitted to be provided, by or on behalf of the organiser⁵ before an audience and involves partial or full nudity⁶.

9. The Licensing Process

9.1 Making an Application

- 9.1.1 Whilst not a legal requirement, the Authority will normally expect that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned.
- 9.1.2 The Authority expects that applicants will consult local residents, businesses and/or community groups in the vicinity of the premises so far as is reasonably practicable prior to submitting a formal application.
- 9.1.3 Applicants are advised to have regard to the Authority's standard licence conditions for sex establishments in order to ascertain the operational standards expected and the types of controls typically required (see Appendix B).
- 9.1.4 Applications must state the full address of the premises to be licensed. Applications in respect of a vehicle, vessel or stall must also state where it is to be used as a sex establishment.
- 9.1.5 Applications should be made in accordance with the procedures set out at Appendix C. Application forms can be downloaded from the Authority's web-site, completed online or are available upon request to the Licensing Team.

⁶ See Glossary for definition

9.1.6 An application form and relevant documentation for the new licence, renewal, variation or transfer must be completed and returned with the appropriate fee as prescribed in the Authority's Schedule of Fees and Charges.

9.2 Objections to Applications

9.2.1 Any person may make an objection to an application for a sex establishment licence. Objectors do not have to live in the vicinity of the premises and may include residents, residents'/tenants' associations, community associations, and trade associations. Councillors and MPs may also raise objections. Elected councillors of this Authority may represent interested parties, provided they do not also sit on the Licensing Sub-Committee determining the application in question. The police are a statutory consultee for all applications.

9.2.2 Persons objecting to an application must state the grounds on which the objection is made. Objections should:

- be made in writing;
- indicate the name and address of the person or organisation making the representation;
- indicate the premises to which the objection relates;
- indicate the proximity of the premises to the person making the representation.

9.2.3 Objections may only be made within the period of 28 days following the date on which the application was given to the Licensing Authority.

9.2.4 The Licensing Authority will not normally consider any objection that does not contain the name and address of the person making it. However, names and addresses of persons making representations will not be disclosed except with their written permission.

9.2.5 Objections that are repetitious, frivolous or vexatious will be disregarded. A frivolous objection is generally taken to be one that is lacking in seriousness. A vexatious objection is generally taken to be one which is repetitive, without foundation or made for some other reason such as malice.

9.2.6 The Authority will not accept objections made on moral grounds.

9.2.7 Where objections are made and accepted, the Licensing Authority will provide copies to the applicant.

9.3 Determination of Applications

9.3.1 The powers of the Licensing Authority under the Act may be carried out by the Licensing Committee or by a sub-Committee of the Licensing Committee.

9.3.2 When determining a licence application, the overriding principle adopted by this Authority will be that each application will be determined on its merits. The Authority will have regard to the relevant legislation, supporting regulations, guidance issued by the Home Office and this Statement of Licensing Policy.

9.3.3 When determining applications, the Licensing Authority will take account of any comments made by the Chief Officer of Police and any relevant objections.

9.3.4 Where no objections are received, the application will be granted on the terms applied for, subject to any conditions imposed by the Licensing Authority. Where relevant objections are received and not withdrawn, the application will be determined at a hearing⁷ before a

⁷ See Glossary

Licensing sub-Committee. This will normally be held within 20 working days of the end of the period during which objections may be made. The sub-Committee will give clear reasons for its decision. The Authority has established its own hearing procedures as provided for under the Licensing Act regulations and these are included at Appendix D.

9.3.5 The names and addresses of objectors will not be disclosed to applicants or published in public reports without the objector's consent. Such details will only be made available to Councillors sitting on the Licensing Sub-Committee.

9.3.6 The grant of a licence does not exempt applicants from obtaining permissions or authorisations required under any legislation, byelaw, order or regulation other than Schedule 3 of the Act.

9.4 Licence Conditions

9.4.1 The Authority has the power to make regulations prescribing standard conditions which may be applied to a licence for a sex establishment. The standard conditions which this Authority will attach to a licence are shown at Appendix B. Where it is reasonable and necessary, the Authority may modify these conditions or attach additional conditions to a licence.

9.4.2 Conditions will generally relate to matters falling within the control of the licence holder and may include:

- the opening and closing hours of the premises
- displays or advertisements on or in the premises
- the visibility of the interior of sex establishments to passers-by
- any change of a sex cinema to a sex shop or a sex shop to a sex cinema

together with any other matters which the Authority considers relevant to the application.

9.4.3 Conditions will be appropriate, reasonable and proportionate and will be tailored to individual premises having regard to the need to promote the Authority's licensing objectives.

9.5 Refusal of Licences

9.5.1 Except where the Authority are prohibited from granting, renewing, varying or transferring a licence, the Authority will not refuse a licence without first:

- Notifying the applicant or holder of the licence in writing of the reasons;
- Giving the applicant or holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.

9.5.2 Mandatory Grounds for Refusal (s.12(1))

The Act requires the Authority to refuse to grant or transfer a licence to:

- (a) A person under the age of 18;
- (b) A person who is for the time being disqualified from holding a licence;
- (c) A person who is not resident in an EU state or was not so resident throughout the period of 6 months immediately preceding the date upon which the application was made;
- (d) A body corporate which is not incorporated in an EU state; or
- (e) A person who has, within the period of 12 months immediately preceding the date upon which the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

9.5.3 Discretionary Grounds for Refusal (s.12(2 & 3))

An application for grant or renewal of a licence may be refused on one or more of the following grounds:

- (a) that the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason (see 9.5.5);
- (b) that if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- (c) that the number of sex establishments in the relevant locality that the application is made is equal to or exceeds the number which the Authority considers is appropriate for that locality (nil may be an appropriate number for these purposes).
- (d) that the grant or renewal of the licence would be inappropriate having regard to:
 - the character of the relevant locality⁸;
 - the use to which any premises in the vicinity are put; or
 - the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

9.5.4 When considering discretionary grounds for refusal under s.12(3)(d) of the Act, the Authority may take into consideration the following factors:

- the type of activity and the proposed hours of operation
- the likelihood of any adverse impact arising as a result of a licence being granted for a premises in a locality where there are already existing sex establishments
- crime and disorder issues
- the likelihood of any noise or disturbance being caused by the premises
- the type and character of other businesses in the locality
- the physical structure, condition and appearance of the premises (see Appendix B).

9.5.5 Suitability of Applicant

When determining whether an applicant is a suitable person to hold a licence, the Authority may take into consideration the following factors:

- the honesty and integrity of the applicant
- any convictions, cautions or offences⁹
- the operation of existing or previous licences held by the applicant and their track record of compliance
- the experience and knowledge of the type of sex establishment the applicant intends to operate
- the applicant's ability to comply with the Authority's licensing requirements and to minimise the impact of the business on local residents and businesses
- any reports about the applicant received from the police or any other reputable source
- the managerial competence of the applicant
- evidence of robust management structure, policies and procedures clearly setting out how the premises will be operated to promote the Authority's licensing objectives
- policies for the protection and welfare of performers
- evidence that the applicant has appropriate measures in place to protect the public (e.g. transparent charging, freedom from solicitation etc.)

⁸ See glossary

⁹ The Authority will require applicants and any company directors and/or manager of the premises to provide a Basic Criminal Disclosure or the results of a Subject Access Request with their application (see Appendix C).

9.6 Revocation of Licences

9.6.1 The Authority may revoke a licence:

- on any of the mandatory grounds specified in paragraph 9.5.2; and
- on either of the discretionary grounds specified in paragraph 9.5.3 (a) and (b).

9.6.2 The Authority will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.

9.7 Duration of Licences

9.7.1 Licences will generally be issued on an annual basis but can be issued for a shorter term if deemed appropriate.

9.7.2 Where the Authority is satisfied that it is necessary for the purposes of winding up the estate of a deceased licence holder, it may extend the term of the licence (normally for three months or such other period the Authority considers appropriate).

9.8 Cancellation of Licences

9.8.1 The licence-holder may surrender the licence at any time and may request the Authority in writing to cancel the licence.

9.8.2 In the event of the death of the licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for three months from the date of death, unless previously revoked.

9.9 Appeals

9.9.1 Section 27 of the Act provides for appeals against the decisions of the Authority. An appeal must be made to the local magistrates' court within 21 days of the date of the Licensing Authority's decision.

9.9.2 An appeal may be made in the following circumstances:

- refusal of an application for the grant, renewal or transfer of a licence.
- refusal of an application to vary terms, conditions, or restrictions on or subject to which any licence is held.
- a grievance relating to any term, condition or restriction on or subject to which a licence is held.
- revocation of a licence.

9.9.3 There is no right of appeal for objectors. There is a right of appeal against refusal on mandatory grounds, only where the appellant alleges the ground did not apply to them. There is no right of appeal against refusal on the grounds that there are sufficient sex establishments in the locality or that the grant of a licence would be inappropriate having regard to the character of the locality, use of premises in the vicinity and the layout, character, condition and location of the premises.

9.9.4 A person wishing to appeal against a decision of the Authority about a sex establishment is strongly advised to seek legal advice prior to commencing any action in a court of law.

10. Waiver

- 10.1 Section 7(4) of the Act allows the Authority to waive the requirement for a licence where it considers this would be unreasonable or inappropriate.
- 10.2 The test of what might be considered ‘unreasonable’ or ‘inappropriate’ will be made on the facts of each individual case but may include:
- minor or temporary events (e.g. sale of sex articles at a trade show or exhibition)
 - events where the provision of sex articles is incidental or ancillary to the event itself
 - a one-off screening of an erotic or sexually explicit film at a cinema (subject to BBFC film classification criteria).
- 10.3 The Authority may grant a waiver for such period as it sees fit and may terminate the waiver by giving 28 days notice in writing.

11 Enforcement and Complaints

- 11.1 Where possible, the Authority will give early warning to licence holders of any concerns about problems at a particular premises and of the steps required for improvement.
- 11.2 The Authority will have regard to the Regulators’ Code and the Better Regulation Delivery Office’s five Principles of Good Regulation. The Authority will carry out its regulatory functions in a fair, open and consistent manner.
- 11.3 Enforcement will also be carried out in accordance with the Authority’s Enforcement Policy which sets out clear standards and procedures.

Enforcement will be:

- proportionate - action will be commensurate with the offence
 - accountable - action will be justifiable and subject to public scrutiny
 - consistent - action will be fairly and equitably applied
 - transparent - the reasons for action will be clearly explained
 - targeted - action will be based on risk
- 11.4 The Authority recognises the interests of both residents and businesses and will work closely with partners, to assist licence holders to comply with the law and any conditions attached to the licence. However, action will be taken against those who commit serious offences, persistently break the law or fail to comply with conditions of the licence.
- 11.5 Complaints about licensed premises should be made in writing and addressed to: The Licensing Team, Torridge District Council, Riverbank House, Bideford, Devon. EX39 2QG or e-mailed to licensing@torridge.gov.uk

12 Equality and Human Rights Issues

- 12.1 In developing this policy, the Authority recognises its responsibilities under the Equality Act 2010, to consider the need to eliminate unlawful discrimination and to promote equal opportunities. The Policy therefore supports and is supported by Torridge District Council’s Equality Scheme and any equality issues will be addressed in an Equality Impact and Needs Assessment.

- 12.2 The Human Rights Act 1998 incorporates the European Convention on Human Rights and makes it unlawful for a local authority to act in a way that is incompatible with a convention right. The Authority will have regard to the Human Rights Act when exercising its licensing functions.
- 12.3 Conditions relating to disabled access will not be attached to licences, as this would duplicate existing statutory requirements. The Authority therefore takes this opportunity to remind applicants and licensees of their duties under the Equality Act 2010 and encourages individuals to provide adequate and appropriate facilities to enable the admission of disabled people.

APPENDIX E - SAFEGUARDING

Torridge District Council is helping to tackle child sexual exploitation and trafficking by working together with key partners particularly the Police and Safeguarding Boards.

Through agencies working together and sharing information, we aim to identify and prevent sexual exploitation, disrupt the activities of perpetrators, protect children and young people and prosecute perpetrators of sexual exploitation. Sharing information with the Police and Safeguarding Boards helps to protect young people from harm. Safeguarding children and young people is everyone's business and everyone's responsibility.

Child sexual exploitation is a crime that can affect any child, anytime, anywhere – regardless of their social or ethnic background.

Sexual exploitation of children and young people involves exploitative situations, contexts and relationships where young people (or a third person or persons) receive something, e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money, etc. as a result of them performing, and/or another or others performing on them, sexual activities. Violence, coercion and intimidation are commonly involved in such exploitative relationships.

Child sexual exploitation involves perpetrators grooming youngsters and using their powers to sexually abuse them. Sexual exploitation of children and young people can take many forms, whether it occurs through a seemingly 'consensual' relationship with an older boyfriend, or a young person having sex in return for attention, gifts, alcohol or cigarettes.

How sex establishments and their employees can help tackle child sexual exploitation

Sex Establishments and their employees are in a good position to help identify victims of sexual exploitation because, through the operation of their premises, licence holders and their employees may come into contact with children, young and vulnerable people.

In particular, licence holders and their employees should ask themselves the following questions when they see young and vulnerable people in or around their premises:

- Do any of your customers appear to be under 18 years old?
- Are they with a much older person and appear to be in a relationship?
- Do you think that they are under the influence of alcohol or drugs?
- Are children/young people being brought regularly to your premises by older people? If so, ask yourself why?

If you have reason to suspect that a child is being abused or at risk of abuse it is your responsibility to report your concerns to and share information with the Police (Tel: 101) and Devon Safeguarding Children Board. (Tel: 0345 155 1071).
